## *Midtown Primary School*

**Feb 2019 - Present**

- Teacher Assistant (I teach kids to code!)  
(Feb 2019 - Present)
  - Use Code.org and CodeSpark. For the little ones we use Typing.com to get them familiar with keyboard and where letters are. First time creating tech literacy in an environment where there's 20% homelessness.
- IT Coordinator  
(May 2020 - Present)

- Through a combination of donations from community leaders, grants and reviving/reusing old computers the school was able to move from 40% students able to use a computer to becoming a 1-to-1 school.
- When COVID scene hit (the world) was able to ensure that every kid who needed a computer to “go to school” remotely had one.
